A celebration of 78 rpm record subculture reveals the growing value of rare records and the determined efforts of their collectors and archivists, exploring the music of blues artists who have been lost to the modern world.

Taylor Swift is an American singer-songwriter. One of the world's leading contemporary recording artists, she is known for narrative songs about her personal life, which have received widespread media coverage. Born and raised in Pennsylvania, Swift moved to Nashville, Tennessee at the age of 14 to pursue a career in country music. She signed with the label Big Machine Records and became the youngest artist ever signed by the Sony/ATV Music publishing house. Her 2006 self-titled debut album peaked at number five on the Billboard 200 and spent the most weeks on the chart in the 2000s. The album's third single, "Our Song," made her the youngest person to single-handedly write and perform a number-one song on the Hot Country Songs chart. Swift's second album, Fearless, was released in 2008. Buoyed by the success of pop crossover singles "Love Story" and "You Belong with Me," Fearless became the best-selling album of 2009 in the US. The album won four Grammy Awards, with Swift becoming the youngest Album of the Year winner. Swift was the sole writer of her 2010 album, Speak Now. It debuted at number one in the United States and the single "Mean" won two Grammy Awards. Her fourth album, Red (2012), yielded the successful singles "We Are Never Ever Getting Back Together" and "I Knew You Were Trouble." For her fifth album, the pop-focused 1989 (2014), she received three Grammys, and became the first woman and fifth act overall to win Album of the Year twice. Its singles "Shake It Off," "Blank Space," and "Bad Blood" reached number one in the US, Australia, and Canada. The 2015 concert tour for 1989 became one of the highest-grossing of the decade. Swift's sixth album, Reputation (2017) and its lead single "Look What You Made Me Do" topped the UK and US charts; with the former, she became the first act to have four albums sell one million copies within one week in the US. As a songwriter, Swift has received awards from the Nashville Songwriters Association and the Songwriters Hall of Fame, and was included in Rolling Stone's 100 Greatest Songwriters of All Time in 2015. She is also the recipient of 10 Grammys, six Guinness World Records, one Emmy Award, 23 Billboard Music Awards, and 12 Country Music Association Awards. Swift is one of the best-selling music artists of all time, having sold more than 40 million albums-including 27.8 million in the US-and 130 million single downloads. She has appeared in Time's 100 most influential people in the world (2010 and 2015), Forbes' top-earning women in music (2011-2015), Forbes' 100 most powerful women (2015), and Forbes Celebrity 100 (2016). Her inclusion in the third of these made her the youngest woman on the list, and she ranked first in Celebrity 100.

A book about Taylor. Made with love. By fans. For fans. “Delightful...A rich and exhaustive production...Swifties have gotten their bible.” –The New Yorker Ten years ago, an unknown sixteen-year-old released a self-titled debut country album. A decade later, Taylor Swift has reached record-breaking, chart-topping heights. A ten-time Grammy winner, Swift has been hailed for her songwriting talent, crossed effortlessly from country to pop, and established herself as a musician who can surprise, delight, and inspire, all while connecting with her fans in a way that only she can. Amazingly, after all these years, there is no great, comprehensive book about Swift for her fans. Until now. This book, a fan-generated celebration of Swift's first decade as an artist, collects the best writing and images from the past ten years in one gorgeous volume. From preface interviews with Swift in local Pennsylvania newspapers to major profiles in The New Yorker and Rolling Stone; from album reviews by top critics such as Robert Christgau, Sasha Frere-Jones, and Ann Powers to essays by beloved novelists like Maggie Shipstead; from Tavi Gevinson’s classic ode to Swift in The Believer to Q&As with Chuck Klosterman and humorous analysis from McSweeney’s and The Hairpin; from album-themed crossword puzzles and adult coloring pages to profiles of Taylor’s biggest fans; from an excerpt of the soon-to-be-published novel Taylor Swift: Girl Detective to a “book within a book” of Swift’s most inspiring quotations titled (naturally) The Tao of Tay, this book is the vital collection of all things Taylor. Here, finally, is the must-have book for every Swiftie and every music lover. For, as Klosterman wrote in GQ, “If you don’t take Swift seriously, you don’t take contemporary music seriously.” * This book is a tribute to Taylor Swift, but she was not involved in its creation. *

Taylor Swift 2021 Taylor Swift: The Ultimate Fan Book 2021 is the latest Taylor Swift book on Amazon -- fully updated in 2021 to include the latest facts and trivia about your favorite superstar. The Live Music Business: Management and Production of Concerts and Festivals, Third Edition, shines a light on the enigmatic live music business, offering a wealth of inside advice and trade secrets to artists and bands looking to make a living in the industry. Previously published as The Tour Book, this new edition has been extensively revised, reorganized, and updated to reflect today’s music industry. This practical guidebook examines the roles of the key players – from booking agents to concert promoters, artist managers to talent buyers – and the deals, conventions, and processes that drive this global business. Written by a touring professional with over 25 years of experience, this book elucidates why playing live is crucial to the success of any musician, band, or artist, explaining issues like: what managers, promoters, and agents do and how they arrange shows and tours; how to understand and negotiate show contracts; how to create a contract rider, and how the rider affects the money you earn from a show; how to appear professional and knowledgeable in an industry with its own conventions, language, and baffling technical terms; and a three-year plan using live performance to kickstart your music career Intended for music artists and students, The Live Music Business presents proven live-music career strategies, covering every aspect of putting on a live show, from rehearsing and soundchecks to promotions, marketing, and contracts. In an era when performing live is more essential than ever, this is the go-to guidebook for getting your show on the road and making a living from music.

Small-town girl. America's Sweetheart. The biggest pop star in the world.It began with one guy and then the next. Until my reputation preceded me.Yes, I dated them - all of them. Yes, I broke up with them. All of them.Was it too much? The world said yes. Too many, too quickly.My reputation was falling faster than a shooting star and the only way to save it was with the boy who never wanted me.Zach Parker. Singer, songwriter, and sexy as sin.To him, I was just his best friend's little sister. A pest that had grown into a famous annoyance.Zach wanted nothing to do with me, but he could be tempted... with a stepping stone to fame.The plan was simple: Childhood Sweethearts Fall in Love on US Tour.The plan was to let them see what they wanted to see: our 'romance' blossom right in front of their eyes.A romance that Zach had made painfully clear to me years ago would never exist.They said it was the only thing that could repair my image.So, every night I'll stand on that stage and give Zach my heart piece by piece, note by note.We'll give them a show they'll never forget and a love story that I may not survive.Because who cares that in order to put my reputation back together, I'll have to tear my heart apart?

From her early career in country music to her chart-topping pop hits, learn more about singer-songwriter Taylor Swift, one of the best-selling musical artists of all time.

Taylor Swift like you've never seen her. A look at her work, her poetry, her best moments and the falls. This editorial work draws from her beginnings in country music until her last release in July 2020. Current, sincere, quick to read and deep like Taylor herself. A irreplaceable book if you want to discover the true story of our beautiful performer, as well as surprising facts, song lyrics and wonderful photographs.

From baby boomers to millennials, attending a big music festival has basically become a cultural rite of passage in America. In Half a Million Strong, music writer and scholar Gina Arnold explores the history of large music festivals in America and examines their impact on American culture. Studying literature, films, journalism, and other archival detritus of the countercultural era, Arnold looks closely at a number of large and well-known festivals, including the Newport Folk Festival, Woodstock, Altamont, Wattstax, the New Orleans Jazz and Heritage Festival, Hardly Strictly Bluegrass, and others to map their cultural significance in the American experience. She finds that—far from being the utopian and communal spaces of spiritual regeneration that they claim for themselves— these large music festivals serve mostly to display the free market to consumers in its very best light.

This Amazing Taylor Swift all times images which will make your mood happy with Expressions!
