Rolemaster character law and campaign law pdf
Character Law Although Walker liked the ability to move randomly generated ability scores around to produce the most beneficial results for the character class sought, he disagreed with the system of rolling dice ten times in order to generate character abilities, and then raising two of those abilities up to 90, if they were not already 90 or better. Walker felt this created a monochrome cast of characters and non-player characters.

Rolemaster - Wikipedia

Now reformatted and reorganized, second edition Character Law & Campaign Law can add realism and depth to your campaign without sacrificing playability. It's your guidebook for running a campaign in a complex, living world!

Nasty, below-the-belt campaigns, mudslinging, and character attacks. These tactics have become part and parcel of today's election politics in America, and judicial elections are no exception. Attacking Judges takes a close look at the effects of televised advertising, including harsh attacks, on state supreme court elections. Author Melinda Gann Hall investigates whether these divisive elections have damaging consequences for representative democracy. To do this, Hall focuses on two key aspects of those elections: the vote shares of justices seeking reelection and the propensity of state electorates to vote. In doing so, Attacking Judges explores vital dimensions of the conventional wisdom that campaign politics has deleterious consequences for judges, voters, and state judiciaries. Countering the prevailing wisdom with empirically based conclusions, Hall uncovers surprising and important insights, including new revelations on how attack ads influence public engagement with judicial elections and their relative effectiveness in various types of state elections. Attacking Judges is a testament to the power of institutions in American politics and the value of empirical political science research in helping to inform some of the most significant debates on the public agenda. This book's results smartly contest and eradicate many of the fears judicial reformers have about the damaging effects of campaign negativity in modern state supreme court elections.

#1 NEW YORK TIMES BESTSELLER • ONE OF ESSENCE ' S 50 MOST IMPACTFUL BLACK BOOKS OF THE PAST 50 YEARS In this iconic memoir of his early days, Barack Obama " guides us straight to the intersection of the most serious questions of identity, class, and race " (The Washington Post Book World). " Quite extraordinary. " —Toni Morrison In this lyrical, unsentimental, and compelling memoir, the son of a black African father and a white American mother searches for a workable meaning to his life as a black American. It begins in New York, where Barack Obama learns that his father—a figure he knows more as a myth than as a man—has been killed in a car accident. This sudden death inspires an emotional odyssey—first to a small town in Kansas, from which he retraces the migration of his mother ' s family to Hawaii, and then to Kenya, where he meets the African side of his family, confronts the bitter truth of his father ' s life, and at last reconciles his divided inheritance. Praise for Dreams from My Father " Beautifully crafted . . . moving and candid. . . This book belongs on the shelf beside works like James McBride ' s The Color of Water and Gregory Howard Williams ' s Life on the Color Line as a tale of living astride America ' s racial categories. " —Scott Turow " Provocative . . . Persuasively describes the phenomenon of belonging to two different worlds, and thus belonging to neither. " —The New York Times Book Review " Obama ' s writing is incisive yet forgiving. This is a book worth savoring. " —Alex Kotlowitz, author of There Are No Children Here " One of the most powerful books of self-discovery I ' ve ever read, all the more so for its illuminating insights into the problems not only of race, class, and color, but of culture and ethnicity. It is also beautifully written, skillfully layered, and paced like a good novel. " —Charlayne Hunter-Gault, author of In My Place " Dreams from My Father is an exquisite, sensitive study of this wonderful young author ' s journey into adulthood, his search for community and his place in it, his quest for an understanding of his roots, and his discovery of the poetry of human life. Perceptive and wise, this book will tell you something about yourself whether you are black or white. " —Marian Wright Edelman
