Wong teachers had created worksheets and other activities to teach pupils about the school's history and architectural features.

The remarkable autobiography of Paul Rusesabagina, the globally-recognized human rights champion whose heroism inspired the film Hotel Rwanda "Fascinating...your book is called An Ordinary Man, yet you took on an extraordinary feat with courage, determination, and diplomacy." - Oprah, O, The Oprah Magazine As Rwanda was thrown into chaos during the 1994 genocide, Rusesabagina, a hotel manager, turned the luxurious Hotel Milles Collines into a refuge for more than 1,200 Tutsi and moderate Hutu refugees, while fending off their would-be killers with a combination of diplomacy and deception. In An Ordinary Man, he tells the story of his childhood, retraces his accidental path to heroism, revisits the 100 days in which he was the only thing standing between his "guests" and a hideous death, and recounts his subsequent life as a refugee and activist.

The author describes how he utilized his position as a hotel manager in violence-stricken Rwanda to offer shelter to more than twelve thousand members of the Tutsi clan and Hutu moderates.

On the tenth anniversary of the date that UN peacekeepers landed in Rwanda, Random House Canada is proud to publish the unforgettable first-hand account of the genocide by the man who led the UN mission. Digging deep into shattering memories, General Dallaire has written a powerful story of betrayal, naïveté, racism and international politics. His message is simple and undeniable: "Never again." When Lt-Gen. Roméo Dallaire received the call to serve as force commander of the UN intervention in Rwanda in 1993, he thought he was heading off on a modest and straightforward peacekeeping mission. Thirteen months later he flew home from Africa, broken, disillusioned and suicidal, having witnessed the slaughter of 800,000 Rwandans in only a hundred days. In *Shake Hands with the Devil*, he takes the reader with him on a return voyage into the hell of Rwanda, vividly recreating the events the international community turned its back on. This book is an unsparring eyewitness account of the failure by humanity to stop the genocide, despite timely warnings. Woven through the story of this disastrous mission is Dallaire's own journey from confident Cold Warrior, to devastated UN commander, to retired general engaged in a painful struggle to find a measure of peace, reconciliation and hope. This book is General Dallaire's personal account of his conversion from a man certain of his worth and secure in his assumptions to a man

conscious of his own weaknesses and failures and critical of the institutions he'd relied on. It might not sit easily with standard ideas of military leadership, but understanding what happened to General Dallaire and his mission to Rwanda is crucial to understanding the moral minefields our peacekeepers are forced to negotiate when we ask them to step into the world's dirty wars. Excerpt from Shake Hands with the Devil My story is not a strictly military account nor a clinical, academic study of the breakdown of Rwanda. It is not a simplistic indictment of the many failures of the UN as a force for peace in the world. It is not a story of heroes and villains, although such a work could easily be written. This book is a cri de coeur for the slaughtered thousands, a tribute to the souls hacked apart by machetes because of their supposed difference from those who sought to hang on to power. . . . This book is the account of a few humans who were entrusted with the role of helping others taste the fruits of peace. Instead, we watched as the devil took control of paradise on earth and fed on the blood of the people we were supposed to protect.

The essential companion to the book that revolutionized entrepreneurship Disciplined Entrepreneurship Workbook provides a practical manual for working the 24-step framework presented in Disciplined Entrepreneurship. Unlocking key lessons and breaking down

Author Bill Aulet's 24-step framework is proven to build a successful business; the key is in how well you implement it. Disciplined Entrepreneurship Workbook helps you master the skills, tools, and mindset you need to get on your path to success.

Crystals and Crystal Structures is an introductory text for students and others who need to understand the subject without necessarily becoming crystallographers. Using the book will enable students to read scientific papers and articles describing a crystal structure or use crystallographic databases with confidence and understanding. Reflecting the interdisciplinary nature of the subject the book includes a variety of applications as diverse as the relationship between physical properties and symmetry, and molecular and protein crystallography. As well as covering the basics the book contains an introduction to areas of crystallography, such as modulated structures and quasicrystals, and protein crystallography, which are the subject of important and active research. A non-mathematical introduction to the key elements of the subject Contains numerous applications across a variety of disciplines Includes a range of problems and exercises Clear, direct writing style "...the book contains a wealth of

information and it fulfils its purpose of providing an interesting and broad introduction to the terpenes." CHEMISTRY WORLD, February 2007

This accessible autobiography is the true story of one girl's determination to hold her family together during one of the most terrifying eras of the twentieth century. It's 1966, and twelve-year-old Ji-li Jiang has everything a girl could want: brains, friends, and a bright future in Communist China. But it's also the year that China's leader, Mao Ze-dong, launches the Cultural Revolution—and Ji-li's world begins to fall apart. Over the next few years, people who were once her friends and neighbors turn on her and her family, forcing them to live in constant terror of arrest. When Ji-li's father is finally imprisoned, she faces the most difficult dilemma of her life. A personal and painful memoir—a page-turner as well as excellent material for social studies curricula—Red Scarf Girl also includes a thorough glossary and pronunciation guide. Supports the Common Core State Standards

This powerful photography collection, drawn from the celebrated National Geographic archive, reveals the lives of women from around the globe, accompanied by revelatory new interviews and portraits of contemporary trailblazers including Oprah Winfrey, Jane Goodall, and

Christiane Amanpour. #MeToo. #GirlBoss. Time's Up. From Silicon Valley to politics and beyond, women are reshaping our world. Now, in anticipation of the 100th anniversary of the 19th amendment, this bold and inspiring book from National Geographic mines 130 years of photography to showcase their past, their present, and their future. With 300+ stunning images from more than 50 countries, each page of this glorious book offers compelling testimony about what it means to be female, from historic suffragettes to the haunting, green-eyed "Afghan girl." Organized around chapter themes like grit, love, and joy, the book features brand-new commentary from a wide swath of luminaries including Laura Bush, Gloria Allred, Roxane Gay, Melinda Gates, New Zealand prime minister Jacinda Ardern, and the founders of the #MeToo and Black Lives Matter movements. Each is accompanied by a bold new portrait, shot by acclaimed NG photographer Erika Larsen. The ultimate coffee table book, this iconic collection provides definitive proof that the future is female.

Elise and Franklin have always been best friends. Elise has always lived in the big house with her loving Uncle and Aunt, because Elise's parents died when she was too young to remember them. There's always been a barn behind the house with eight locked doors on the second floor. When Elise and Franklin start middle school, things feel all

Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

One girl too many . . . When a girl is born to Chu Ju's family, it is quickly determined that the baby must be sent away. After all, the law states that a family may have only two children, and tradition dictates that every family should have a boy. To make room for one, this girl will have to go. Fourteen-year-old Chu Ju knows she cannot allow this to happen to her sister. Understanding that one girl must leave, she sets out in the middle of the night, vowing not to return. With luminescent detail, National Book Award-winning author Gloria Whelan transports readers to China, where law conspires with tradition, tearing a young woman from her family, sending her on a remarkable journey to find a home of her own.
