What happens when you find out all the horror you've seen in the world is more than just bad luck? When you find out there is a boogyman? For as long as Gabe can remember, his life had been plagued by haunting images and tragic events. It seemed like everyone he knew or loved was doomed for a life of misery or death. He was starting to come to the same conclusion everyone else had--he must be cursed. Until one day, in a subway tunnel, everything suddenly changed. A horrific disaster led him to a strange new person named Uri. Uri introduced Gabe to an exciting new world filled with angels, demons, magic, and best of all, a beautiful girl named Sophie. This chance at a new life had everything Gabe always longed for: a family, friends, and possibly even love. He soon discovered, though, that this life came at a steep price. One he feared might cost him his life. A prophecy places Gabe in the middle of a choice he could have never imagined he would have to make. He finds out the creatures that have haunted his nightmares are actually real and only the Guardians stand between them and the rest of the world.

Sacred Bloodlines, the first book in a new young adult series called, The Guardians. Tragedy has defined Gabe's short existence in this world. An ominous darkness lurked on the edge of his existence until one day in a subway, strange things start happening. A series of events lead Gabe into a new and fascinating life filled with angels and demons, but he isn't sure if he wants to be a part of it. Gabe is thrust into the middle of this exciting world that is full of things he has longed for in his life but it comes with a price. This new life also promises constant terrifying dangers that Gabe fears he may not be able to survive.

For as long as Gabe can remember, his life had been plagued by haunting images and tragic events. It seemed like everyone he knew or loved was doomed for a life of misery or death. He was starting to come to the same conclusion everyone else had--he must be cursed. Until one day, in a subway tunnel, everything suddenly changed. A horrific disaster led him to a strange new person named Uri. Uri introduced Gabe to an exciting new world filled with angels, demons, magic, and best of all, a beautiful girl named Sophie. This chance at a new life had everything Gabe always longed for: a family, friends, and possibly even love. He soon discovered, though, that this life came at a steep price. One he feared might cost him his life.

Traces the movement of the Templars' secret treasure across North America to where it still resides, protected by a sacred lineage of guardians • Explains how the Templars found refuge with Native American tribes, intermarrying with the Natives to continue the Holy Bloodline and further the lineage of guardians needed to protect their treasure and secrets • Reveals new evidence for the existence of Templar settlements and monuments across North America and how these reactivate the continent's sacred rose lines • Pinpoints the exact location of the Templar/Holy Bloodline treasure Many have searched for the lost treasure of the Knights Templar, most famously at Oak Island. But what if the treasure wasn't lost? What if this treasure--necessary to sanctify the Temple of Solomon and create a New Jerusalem--was moved through the centuries and protected by a sacred lineage of guardians, descendants of Prince Henry Sinclair and the Native American tribes who helped him? Drawing on his access as Grand Archivist of the Knights Templar of Canada and his own role as a descendant of both Sinclair and the Anishinabe/Algonquin tribe, William Mann examines new evidence of the Knights Templar in the New World long before Columbus and their mission to protect the Holy Bloodline of Jesus and Mary Magdalene. He reveals the secret settlements they built as they moved westward across the vast wilderness of North America, evading the European Church and Royal Houses. He explains how the Templars found refuge in the Sacred Medicine Lodges of the Algonquins, whose ceremonies and rituals bear striking resemblance to the initiations of Freemasonry. He reveals the strategic intermarriages that took place between the Natives and the Templars, furthering the Holy Bloodline and continuing the lineage of blood-guardians. The author explores how Sinclair's journey from Nova Scotia across America also served to reactivate the sacred rose lines of North America through the building of "rose castles" and monuments, including the Newport Tower and the Kensington Rune Stone. Pinpointing the exact location of the Templar treasure still hidden in North America, the author also reveals the search for Templar sanctuaries to be the chief motivation behind the Lewis and Clark expedition and the murder of Meriwether Lewis.

Married at eighteen, child at nineteen, widowed and alone at twenty-one, I've lived enough pain for ten lifetimes. - The Luckiest When everything worth living for is suddenly taken from you, how do you keep going? People tell her how lucky she is just to be alive after that night, but she doesn't agree. The world doesn't stop just because Mac has lost everything, soon she will be forced to face demons she isn't yet ready to deal with.* Contains mature content including death, romantic situations, and some mature language. Book One - Stubborn Love - Clementine's Story Book Two - Only In Dreams - Paige's Story Book Three - The Luckiest - Mac's Story

For as long as Gabe can remember, his life had been plagued by haunting images and tragic events. It seemed like everyone he knew or loved was doomed for a life of misery or death. He was starting to come to the same conclusion everyone else had--he must be cursed. Until one day, in a subway tunnel, everything suddenly changed. This chance at a new life had everything Gabe always longed for: a family, friends, and possibly even love. He soon discovered, though, that this life came at a steep price. One he feared might cost him his life.

An essential notion in the #1 New York Times bestseller The Da Vinci Code is the existence of an age-old French society, the Priory of Sion, whose task it is to protect Christ's sacred bloodline. In The Sion Revelation, Picknett and Prince reveal the story of the Priory, taking readers on a highly significant, disturbing, and even alarming ride through history into an intriguing world where a great many uncomfortable facts will have to be faced, both religious and political. Drawing on a wealth of astonishing evidence, they answer numerous questions that shroud this society, including: • Does the Priory actually exist or is the group's entire history an elaborate hoax? • Was Leonardo da Vinci really one of the Priory's Grand Masters? • What is the truth behind Pierre Plantard, the enigmatic French aristocrat who claimed to be a Priory Grand Master -- and who some claim was a Nazi sympathizer? • Could the Priory be a front for other occult societies in Europe with religious or even political agendas? By carefully untangling centuries of obfuscation, rumor, and documented fact, The Sion Revelation unravels the great intricacies of this secret society and takes us on a historical journey that is as groundbreaking in its explanation as it is riveting in its telling.

Two individuals from different countries but who share one ancestral bloodline race to thwart a terrorist plot in Jerusalem—the first heart-pounding book in a new epic trilogy that delves into the dark underbelly of the Holy City. Bilal, a radicalized Palestinian youth, is promised paradise if he destroys the Western Wall. But his attempted terrorist attack fails and he finds himself in the hands of a young Jewish surgeon, Yael Cohen. After saving his life, Yael makes the startling discovery that her DNA and Bilal's are nearly identical, sparking suspicion that their connection is greater than mere coincidence. Their search for answers soon puts them in the middle of a high-stakes international conspiracy—one that has its roots in the blood of thousands, and now threatens to spill the blood of thousands more. Unknown to Bilal and Yael, theirs is the last chapter in a story that crosses millennia. Century after century, two ancient families—bloodline ancestors of Yael and Bilal—defied the power of corrupt kings and conquerors, fighting to forge an alliance and lasting peace. But through many years of secret dealings and war, kinships were shattered, dynasties fell apart, and evil gained a foothold. Now, in modern Israel, those same sinister forces are at work, stopping at nothing to take control of the Holy Land and silence anyone in their way. Through imprisonment, assassination attempts, and political machinations, Bilal and Yael must ultimately confront the truth of who they are. But is the common blood of two individuals enough to bring two enemy peoples together, and stave off the destruction that threatens them both? Crossing borders, centuries, and battlegrounds, Bloodline is a thrilling, ultimately redemptive story taking place in the shadows of one of the oldest, most sacred cities in the world.

Return to Jae Waller's wondrous and war-torn colonial world in this captivating second installment in the Call of the Rift series "Fans will be reengaged by Waller's war-torn worldbuilding and original characterization . . . Adventurous, heartbreaking, and undoubtedly open-ended." — Kirkus Reviews Now in paperback! The Blackbird Battle has left all sides devastated. The wind spirit Suriel has disappeared. A hard winter is coming, and famine

stalks the land. Kateiko Rin returns to her people, ready at last to rejoin her community, but the dangers of the unsettled times come raging to her doorstep. Kako is left with no choice but to battle the forces that seek to open a rift between the worlds. Leading an unlikely alliance that includes her new love Airedain and her old one Tiernan, Kako must risk all to try and stop the coming disaster. Author Jae Waller returns to her riveting alternate world of brooding rainforests in a colonial time and to her headstrong, troubled heroine in this compelling second volume of the Call of the Rift quintet.

***"I just read Stubborn Love and Only In Dreams by @WendyLOWens, both were fantastic!! If you haven't read them you need to." - Abbi Glines Life for Emmie Hayes hasn't been easy. After her reality is rocked by tragedy, she heads to New York City in hopes of finding herself again. With a new school and a new outlook on life, Emmie is determined to not let anything distract her. Everything begins to fall into place around her until her roommate, Paige, shows up with the very distraction she tried so desperately to avoid, and he has no intention of being ignored. His name is Colin Bennett and he isn't part of her new plan. But with his smoldering eyes and perfect body, it would be difficult for any girl to ignore him. Only thing is, Emmie isn't any girl. After her tragic past, there might not be any way into her stubborn heart. * Contains mature content. ** Book 2, Only In Dreams Now Available ** Book 3, The Luckiest Releases July 10th, 2014
